

CERTIFICATE

The Institute of Textile Technology and Process Engineering – Part of the German Institutes for Textile and Fiber Research Denkendorf - certifies that the company

Schmitz-Werke GmbH + Co. KG

Hansestrasse 87
48282 Emsdetten

is entitled to keep the Denkendorf quality mark 'selfcleaning – inspired by nature' for the following article:

swela® sunsilk SNC

The testing of the articles provided evidence that the criteria of the Denkendorf quality mark for selfcleaning textiles have been fulfilled (Certificate reg. no. ZS-09001-09). The respective results of the tests as well as additional tests concerning resistance possibly carried out can be gathered from the Technical Report. The certificate is valid by the end of January 2010.

Schmitz-Werke GmbH + Co. KG has committed itself in accordance to ISO/IEC 17050-1 to only mark conformable goods when using the quality mark 'selfcleaning – inspired by nature'.
